Memo No. 2019-029
Date: 16-Aug-2019
Memo To: Clients
Re: Upcoming Canadian Diagnostic Executive Forum

ICL is co-producing the Canadian Diagnostic Executive Forum.

Dates: October 24/25, 2019

Location: Westin Harbour Castle Hotel, Toronto

Lab leaders and senior diagnostic executives must attend the Canadian Diagnostic Executive Forum if you are specifically looking for experiences, ideas, and solutions to take back and apply in your hospitals and laboratories. You will be able to network with your peers and vendors, and attendees will share an interest in creating positive change to lab operations. This 2-day event is packed with exciting and thought-provoking sessions that will stimulate discussion like the use of drones in sample transport, Artificial Intelligence, digital pathology and other great sessions. The cross-country check up will feature leaders and innovators across Canada sharing their innovations, challenges and success stories. The program will culminate with Jim Estill, CM OOnt, a Canadian technology entrepreneur, executive and philanthropist who will share his journey of innovation and success in business and in life.

Sign up through the Eventbrite link here...
