**Date:** 26-Sep-2019  
**Memo To:** Clients  
**Re:** **New Website and Test Catalogue Launch**

---

On Monday September 30, 2019, ICL will launch a new corporate website (iclabs.ca) and test catalogue (iclabs.ca/test-catalogue/). At the same time, the previous web-based versions of the ICL and ILS websites and catalogues will be retired.

The test catalogue will be updated daily. It has been reformatted to include additional test information and has improved and advanced search capabilities. For your convenience, the test catalogue includes tabs for:

- Referral Laboratory Services, generally used by hospital and medical lab clients;
- Integrative Laboratory Services, generally used by naturopathic/functional medicine clients; and
- Specialty Services, generally used by researchers and other non-institutional clients.

Please note that most website links to previous content will no longer be active and you should revise appropriately.

We hope the changes will afford a better user-experience. We welcome your comments and concerns in our continuous effort to improve our service for you.

If you have any questions about the new website or need help locating information, please contact our Client Care team at 416-422-3000 ext. 300, and toll free 1-888-285-7817, or by email at [info@iclabs.ca](mailto:info@iclabs.ca).
